From the D.C. Mandya dtd
No A5-762/46-47 dated 27.2.47
furnishes the required information

Noted in their order No 2431/M1 111-29-32 dated 29.8.42
Sanctioned a comprehensive dramage scheme amounting to
Rs 22,700/- for the French-Rocks Town, the cost being met both
by Govt and the municipality in equal proportions
An estimate amounting to Rs 10,450/- was also
approved for the first stage of the dramage scheme
C E for R&B stated that tenders were called for the above work during June 45
and in response, only one tender was read quoting 22.4% more
over the estimated rates. The tender, being very high was rejected
Tenders were again called for during April 1946. By
the Executive Engr Mandya Division only one response, only one
tender from one Mr Sampangappa, Mandya, quoting 40%
above the estimated rates was read. A revised estimate based
on the above tendered rates was prepared amounting to Rs
13,450/-

I stage Drainage work at French Rocks

7052(5)
/41

2nd) The D C Mandya Dvl states that the revised estimate for the above work, for Rs 13,450/- is based on the tender of Mr Sampangappa, who has quoted 40% over and above the sanctioned rates

3rd The D C was asked in this office letter no C 7941 dated 28 11 46 to note that in view of the fact that the entire scheme was ordered to be financed by the mcty and the Govt in equal proportions, ~~should not be~~ there would not be the excess amount over the previous estimate be met by the Govt & the mcl council in equal proportions

4th The President, French Rocks mcl council reports that the revision of the estimate has increased the cost by Rs 3,072/- for the 1st stage of the drainage work and the mcl council have at their meeting held on 30 9 46, resolved that the Govt might be requested to sanction a grant equal to the amount from the T I grants for the year 1946-47 ~~Mg~~ It also reports that a grant of Rs 10,450/- (+ Rs 1,800/-) has already been sanctioned during the previous years viz 1942-43 & 1943-44 and the same has been credited to 17(a) P W D ~~details~~ The President has countersigned the revised estimate for Rs 13,450/- & sent it to the Executive Engr memorandum

10450
1800
12250

5th The D C recommends the acceptance of the ~~D C~~ tender of Mr Sampangappa as above

In the circumstances, points for orders are —

A | i) Sanction to the revised estimate of Rs 13,450/- for the ~~the~~ 1st stage of drainage scheme at French Rocks

B | ii) Acceptance of the tender of Mr Sampangappa, Mandya who has quoted 40% over & above the sanctioned rates as recommended by the C E for Roads Tenders

C | iii) Sanction of a Govt grant of Rs 3,072/- for the 1st stage of the drainage work

3/3

7052/1 Drainage — Drainage Works Improvement —

7052/2

29) The points referred to at A & B in para 27 supra may be sanctioned

28) In regard to the point at C, a sum of Rs 12,250 is already available, as against the estimate for Rs 13,450/- for the work. The balance Rs 1200/- required to make up the estimate may be met out of the Town Improvement grants for the current year.

10,450
1,800
12,250

How ?

30) The revised estimate for Rs 13,450/- may be sanctioned and the tender of M/s Sampangappa may be accepted. A grant of Rs 1200/- may also be given out of the Town Improvement Grants (Abstract for Rev. & Cons.) Vol 3 for

OFFICE OF THE MINISTER FOR REVENUE
No 2369
Date 10.3.67

31) I cannot understand the proposal. How is ~~the~~ the amount of Rs 12250 available, made up - Is it all first grant or is it part of first grant & part of Municipal grants, if former, how can't this amount be withheld in full for meeting the cost of

7052/L

the first stage of the scheme. Was it not the idea that part of the municipality should bear the cost in equal proportion of the amount available viz Rs 12250 represent part grant, and Rs 6725 out of this should be utilised for meeting the cost of the 1st stage, the remaining amount being met from the funds of the municipality, if sufficient balance is at credit or from a loan to the extent required being advanced by Govt in accordance with G.O dated 29-8-1942.

Drainage Scheme for Kanchrapara Town

by Govt in this behalf - Ref para 3 Supra

The present Request of the D e for Renewal of Sanction appears obviously for Compliance with the Requirement as provided ant in the Govt letter dated 17-3-47, the T&D for drawing the Town Consent having been objected to in audit as being delayed for more than a year

3a) The early acceptance of the tender of M. Sampangappa is desirable to avoid higher Rates being quoted for the work later and thus Govt may be pleased when the Municipal Share of the Cost is made available

3b) The Recommendation of the D e to Renew Sanction for the loan may therefore be approved to enable the Municipal Council contributing its Share of Cost, with the Concurrence of the Fin Dept and Govt for orders

Govt 2/3/48 Pr. 3 Ref 4) A loan of Rs 104 sy was sanctioned for the Drainage works in Town Panchayat in G O No 2447 31-34 I MR III-33-32 of 29 & 42 in order to enable it to meet its share of the Cost of the Drainage Scheme at the Place

Re Drainage Scheme for
Frenchrocks Town

Sir,

I have the honour to state that Government in their "y" Order No L 2431/M1 , 111-39-32, dated the 29th August, 1942, sanctioned a comprehensive drainage scheme amounting to Rs 22,700/- for Frenchrocks Town, the cost being met both by Government and the Municipality in equal proportions

An estimate amounting to Rs 10,450/- was also approved for the first stage of the drainage scheme Tenders were called for for the above work during June 1945 and in response only one tender was received quoting 224% increase over the estimated rates This tender, being very high, was rejected and the Sanitary Engineer instructed to call for tenders again with a view to obtain favourable rates

Tenders were again called for during April 1946 by the Executive Engineer, Mandya Division, and in response only one tender from Mr M Sampangappa, Mandya, quoting 40% above the estimated rates was received The tender is enclosed The Superintending Engineer, Mysore Circle, has been requested to prepare a revised estimate based on the above tendered rates and forward the same to the President, Municipal Council, Frenchrocks, for counter-signature The revised estimate on its receipt in this office will be submitted ~~for~~ to Government for sanction

The cost is to be borne equally by Government and the Municipal Council, Frenchrocks A sum of Rs 1,800/- consisting of the Government and Municipal quotas in equal proportions for the construction of the stalls in the Shandy Maidan at

P T O

"y"

Maidan at Frenchrocks which work has been dropped, has been ordered to be utilised towards this work as per Government Order No L 2431/M1 , 111-39-32 dated 29th August, 1946, and the balance of Rs 20,900/- is to be borne equally by Government and the Municipality, i e , Rs 10,450/- each

It is reported by the Sanitary Engineer that as against the Government contribution, Government have already paid a sum of Rs 6,125/- and the Municipality has paid only Rs 900/- against its share

I request that approval of Government to the acceptance of the tender of Mr Sampangappa, Mandya, at 40% more than the estimated rates for the first stage work being the only tender received even now, may kindly be communicated

The estimate for the comprehensive scheme will be suitably ~~be~~ revised as per the above tendered rates and submitted to Government for sanction after obtaining the countersignature of the President, Municipal Council, Frenchrocks

I have &c ,

Chief Engineer for Roads and Buildings

Mr M Sampangappa S/o Mr B Nanjundappa
Mandya.

3

MANDYA I

Notification dated 12th November 1945

1 Sealed tenders will be received at the Office of the Executive Engineer Mandya Division up to 4 PM on ~~3rd December 1945~~ 12 April 1946 for the drains to be constructed for the 1st stage work at Frenchrocks Town

2 Tenders in the prescribed form obtainable on payment of four annas per form from the Office of the Executive Engineer Mandya Division should be addressed to the Executive Engineer Mandya Division in a sealed cover and superscribed as Tender for the drains to be constructed for the 1st stage at French rocks Town

The name of the tenderer should also be superscribed on the top of the cover

3 Each tender must be accompanied by a treasury chellan for Rs 380 (Rupees three hundred and eighty five only) as earnest money paid to the treasury to the credit of 17 (*a*) P W Deposits against the account of the Executive Engineer The earnest money of the successful tenderer will be retained as security deposit for the due fulfilment of the contract Such a deposit in cash will not carry any interest

4 The tenders will be opened in the presence of such tenderers who wish to be present on ~~3rd December 1945~~ 12th April 1946 at 4 PM at the Executive Engineer s Office The final acceptance of the tender will rest with the Executive Engineer who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any

5 The name of the successful tenderer will be posted on the notice board in the Executive Engineer s Office in due course Within eight days of the acceptance of the tender the successful tenderer will be required to execute an agreement in the departmental schedule contract form for the due fulfilment of the contract and for the execution of all items of the work in accordance with the departmental specifications A reserve of 5 per cent will be withheld in the work bills of the contractor and the same repaid after the due fulfilment of the contracts

6 Failure to comply with the condition 5 above or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money

7 The earnest money of rejected tenders will be returned on submission of the receipt originally granted along with an application to the Executive Engineer

8 Copies of contract documents schedules and drawings may be seen at the Executive Engineer s Office on all working days between 12 NOON and 6 PM

9 The tenderer has to clearly state that he will agree to do the work at per cent less than or per cent more than or at the estimated rates This should be applied to all the items taken as a whole and not on individual items

10 Any rates or lumpsum amounts for the items not called for if tendered by the tenderer will not be taken notice of The rates for such items may be entered in a separate schedule with date and reasons for the same When lumpsum provision is shown in the schedule of quantities the contractor will be paid at either his tendered rate for each item or the prevailling schedule of rates in the Division at the discretion of the Executive Engineer

11 No alterations which are made by the tenderers in the tender form in the nomenclature of the items of work will be recognised and if corrections are made the tenders are liable to rejection

12 In the event of the tender being submitted by a firm it must be signed separately and severally by each member thereof or in the event of absence of any partner it must be signed on his behalf by a person holding power of attorney authorising him to do so

13 Rates for non quoted and non estimated items shall be as per schedule of rates of the Department or those fixed by the Executive Engineer after working out the data with not more than 5 per cent for contractor s profit The condition agreed to under (9) above will apply to these also

14 The quantities given in the schedule are only approximate and the drawings shown to the contractor are only tentative and are liable to alterations omissions deductions or additions at the discretion of the Executive Engineer or his representative and may be due to any reason whatsoever The tendered rates will hold good for any quantity whether higher or lower than those given in the enclosed schedule

15 The works should be completed and handed over in a tidy condition to the Public Works Department by the end of ~~April~~ December 1946 failing which the Executive Engineer may at his discretion levy a minimum penalty of Rs 5 per day for small works and for big works penalty will ordinarily be calculated at 12 per cent per annum on the total outlay as liquidated damages for non fulfilment of contract and will be recovered from the contractor s outstandings for the period exceeded by him beyond the time fixed and until the work is completed and handed over

16 In all matters of disputes of any kind not specially provided for in the agreement or of rates penalties measurements quality of work etc the decision of the Chief or the Superintending Engineer shall be final and legally binding

17 No claim for damages for delays caused by officers of the department in the execution of the work will be considered whatever may be the reasons for such delays Contractors should bear this in mind when tendering for the work Extension of time due to delays caused by the departmental officers will however be considered on the merits of each case

18 The contract should not be sublet

19 All materials tools and plant and machinery that will be supplied by the Executive Engineer in the interest of the work shall be accepted by the tenderer at the rates fixed by the Executive Engineer The tenderer will pay the hire on tools and plant and machinery as per rules from the date of taking over of such machinery tools and plant from the stores to the date of return thereto the dates considered being the dates of acknowledgments of the vouchers in each transaction

20 The contractor should arrange for the payment of royalty and tolls

21 For wood work Mysore Teak shall be used which will be available at the prevailing rates in the Forest Department

22 Only Chamundi brand cement should be used

23 Copies of tender in the prescribed form are obtainable from the Office of the Executive Engineer Mandya Division only on payment of annas four (Re 0 4 0) per form

Note —(*a*) The contractor should at his own cost—

(1) Provide rods stakes ropes and labour required in setting out the works

(2) Provide all necessary scaffolding centering labour and appliances for hoisting

(3) Provide mortar mills and sheds to keep materials under cover and also for workmen

(4) Arrange for protecting work during inclement weather

(5) Supply requisite temporary lights water cisterns water pumps and hoses sieves parahs shoring strutting and other requisite protective appliances during the progress of the work

(6) Supply all water required for work and workmen and shall provide temporary latrines and drains

(7) Clean away all dirt rubbish superfluous materials and debris as they accumulate

(8) Provide arrangements for pumping and baling of water from excavations and foundations wherever and whenever necessary with his own pumping apparatus including necessary leading drains slump pits etc

(9) Afford facilities to any other parties employed upon the work by the P W D so that their work may proceed during the progress of the contract and given such persons the use of ordinary scaffolding and ladders

(10) The contractor is responsible for all accidents to workmen etc on the work and he must take precaution against all risk of accidents and if necessary provide for the same by insurance at the proper time

Note —(*b*) It is the business of the contractor to make his own arrangements for quarries and supplies of materials

Mandya District, Mandya.

To

J.B Mallaradhya, Esq, M A,
Secretary to Government,
Revenue Department,
Bangalore.

Sir,

I Stage Drainage - Frenchrocks.

I have the honour to enclose herein a copy of letter No. C 142/44 dated 8-10-46 together with a copy of the resolution of the Municipal Council on the above subject received from the President, Frenchrocks Municipal Council and to request you in the circumstances explained by the President, kindly to obtain sanction of Government to a grant of Rs.3,072/- being the extra cost on the revised estimate, out of the Town Improvements grants for the year 1946-47. This item will also be included in the consolidated proposals of the District for Town Improvement grants during the year 1946-47.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mandya District.

MVS

Copy of letter No C.142/44-45 dated 8-10-46, from the President, Town Municipal Council, Frenchrocks, to the Deputy Commissioner, Mandya District, Mandya

---

Subject Drainage Scheme at Frenchrocks.

With reference to Mandya Division Executive Engineer's memo No 531/dated 18-9-46, enclosing a revised estimate for Rs. 13,450/- for the above work, I have the honour to enclose herewith an extract of the Council Resolution passed thereof for favour of kind perusal.

As the revised estimate involves an extra cost of Rs. 3,072/- for the first stage of the Drainage work, the Council have resolved to request you to recommend to Government to sanction a grant equivalant to this extra cost, from the Town Improvement - Grants for 1946-47. I request you to recommend this prayer of the Council for favourable consideration of Government.

A grant of Rs.10,450/- + 1,800/- has already been sanctioned during the previous years towards moiety of the cost of the Drainage scheme, and this has been credited to 17(a) P.W D. already. The Municipality has also obtained a loan of Rs.10,450/- to meet its share of the cost of the Drainage Scheme as the funds already placed at the disposal of the Public Works Department are adequate to meet the cost of the I Stage even as per Revised estimates, the estimate has been countersigned and returned to the Executive Engineer, without waiting for the sanction of the extra grant now asked for.

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

General and Revenue Secretariat

No *Dated Bangalore,* October 1946.

FROM

The Secretary to the Government of His Highness the Maharaja of Mysore
Revenue Department

To

The Deputy Commissioner,
Mandya District, Mandya.

Sir, with reference

In forwarding herewith a copy of letter No.1865 dated 19th August 1946 received from the Chief Engineer for Roads and Buildings requesting sanction to accept the tender of one Mr. Sampangappa at 40% more than the estimated rates for the execution of the I stage of the drainage work at Frenchrocks, I am directed to request you to obtain and forward the opinion of the local Municipal Council in the matter together with your remarks thereon within a week

It may also be kindly stated whether the entire Government grant given in two instalments as referred to in G.O dated 29th August 1942 on the subject was drawn and credited and if not, why the same was not done may kindly be explained.

I have the honour to be,
Sir,
Your most obedient servant,

Secretary to Government,
Revenue Department.

Aga/1. Copy of letter No.1865/2 dated 19th August 1946 from the Chief Engineer, Roads and Buildings in Mysore to the Secretary to Government Revenue Department

Re Drainage scheme fo Town.

I have the honour to state that Government in their Order No. 2431/M1. 111-39-32 dated the 29th August 1942, sanctioned a comprehensive drainage scheme amounting to Rs.22,700/- for Frenchrocks Town, the cost being met both by Government and the Municipality in equal propotions.

An estimate amounting to Rs 10,450/- was also approved for the first stage of the drainage scheme. Tenders were called for for the above work during June 1945 and in response only one tender was received quoting 224% increase over the estimated rates. This tender, being very high, was rejected and the Sanitary Engineer instructed to call for tenders again with a view to obtain favourable rates.

Tenders were again called for during April 1946 by the Executive Engineer, Mandya Division, and in response only one tender from one Mr. Sampangappa, Mandya, quoting 40% above the estimated rates was received The tender is enclosed The Superintending Engineer, Mysore Circle, has been requested to prepare a revised estimate based on the above tendered rates and forward the same to the President, Municipal Council, Frenchrocks, for counter-signature. The revised estimate on its receipt in this office will be submitted to Government for sanction

The cost is to be borne equally by Government and the Municipal Council, Frenchrocks. A sum of Rs.1,800/- consisting of the Government and Municipal quotas in equal proportions for the construction of the ~~shops~~ stalls in the shandy maidan at Frenchrocks which work has been dropped, has been ordered to be utilised towards this work as per G.O.No.L.2431/M1. 111-39-32 dated 29th August 1946, and the balance of Rs.20,900/- is to be borne equally by Government and the Municipality, i.e , Rs.10,450/- each.

It is reported by the Sanitary Engineer that as against the Government contribution Government have already paid a sum of Rs.6,125/- and the municipality has paid only Rs.900/- against its share.

I request that approval of Government to the acceptance of the tender of Mr. Sampangappa, Mandya, at 40% more than the estimated rates for the first stage work being the only tender received even now, may kindly be communicated.

The estimate for the comprehensive scheme will be suitably revised as per the above tendered rates and submitted to Government for sanction after obtaining the countersignature of the President, Municipal Council, Frenchrocks

Re - No A S 762/46 47 Drainage Scheme of French Rocks Town

Sir,

With reference to the above I have the honour to state that a report has been made already in this office No C 142/46-45 Of 8 10 46 and a copy of the same is here in enclosed for favour of kind perusal

As regards the Particulars called for by the Chief Engineer for roads and Buildings on the subject, I have the honour to State that a sum of Rupees 10450/- received as govt Grant for the above work has already been credited to 17(a) P W D. and also a sum of Rs 1800/- consisting of the Govt Grant and Municipal quota in equal proportion for the Construction of the Stalls in the Shandy Maidan The Municipality has also obtained a loan of Rs 10,450/- to meet the share of

of the cost of the Drainage Scheme. The loan has not yet been Drawn and credited to the funds but the bond has been executed and kept in the safe custody at District Treasury Kandya with reference to your memo; No A S 1-6625/39-40 dated 27-43

As regards the Revised Estimate amount of Rs. 134.50 has already been countersigned as per Council Resolution dated 30-9-46 and referred to the Executive Engineer without waiting for the sanction of the Govt on 18-10-46 with this office No C 142/4445

To
The Executive Engineer
Mandya Division
Mandya

Sir Re The tender deposit of Rs 385/ for the Construction of drains for the first Stage at French Rocks

I have Submitted my tender for the above on 22 4 46 and on acceptance I have also deposited a Sum of Rs 385/- as earnest money So far, even after a lapse of one year and four months, no work order has been received by me to

My last quotations of prices were Calculated according to the prices then Existed Now the rates of all articles have gone up by more than 30% Hence I submit that it is not possible for me to carry on the same work owing to the above reason mentioned

Hence I request you to return the earnest money of Rs 385/- deposited by me and oblige

yours faithfully
M Sampangappa

No 25/1/48

By 25 11 47

No.45-762/46-47 Office of the Deputy Commissioner,
Mandya district,
Mandya, dated 22nd Jan. 1948.

From

K Mohamed Ahmed, Esq, B A,
Deputy Commissioner,
Mandya district, Mandya.

To

Syed Abdul Aleem, Esq, B A.,
Secretary to Government,
Revenue Department,
Bangalore

Sir,

Subject Bill for drawing the loan amount sanctioned for the drainage Scheme at Frenchrocks.

Adverting to G O No L 2431/34/M1 111-39-32 dated 29-8-42, sanctioning a loan of Rs 10,450/- fowards the above scheme, I have the honour to state that the bill prepared for the above amount was duly countersigned and returned to the President, Town Municipal Council, Frenchrocks, to get the same pre-audited before encashment, as the loan was sanctioned to the Municipality during the year 1942-43 When the Bill was sent to the Comptroller by the President for preaudit and return, he has retransmitted the same for resubmission after the renewal of sanction by Government, as the amount is remaining undrawn for more than a year, vide Art.275, M C. & C Vol.I

I therefore request you kindly to obtain order of Government renewing the sanction as the work has to be taken up immediately, I request the favour of early orders in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

for Deputy Commissioner,
Mandya district.
(absent from headquarters)

Sir,

Re the Drainage Scheme for French Rocks Town

With reference to your letter No L.11267/Es dated the 29th November 1947 regarding the above, I have the honour to state that only the abstract estimate is received with the above, and I request you kindly to return the detailed estimate as the same is wanted by the Sanitary Engineer for taking further action in the matter

I have the honour to be,
Sir,
Your most obedient servant,

CHIEF ENGINEER F OR
ROADS AND BUILDINGS

MR/25-6

Comptroller's Office, Bangalore,
Cir No 424, Dated 4th Feb 1941

ɜ for drawing grants provided for works under "30 Procedure Improvements"
Grants for Publ
ıt of Water Supply in Towns
(2) Improvem Towns and Minor Municipalities
(3) -do ---

To
The Deputy Commissioners of Districts
1 The Presidents of Town and Minor Municipalities
2 District and Taluk Treasury Officers, through the Deputy Commissioners, Treasury Department
4 The Sanitary and Executive Engineers of Divisions

Sir,

In pursuance of Government Order No L 1140-5-M1 86-39-145, dated 31st July 1940 issuing revised orders in the matter of drawing "Town Improvement and Water Supply" grants, and further correspondence ending with letter No L 4359-F L 110-39-145 , dated 3rd December '40 from the Secretary to Government, Law Department, in the matter of safeguards against lapses I have the honour to issue the following instructions -

1 The improvement works for which grants are sanctioned under the Budget Heads referred to are classed as noted below for purposes of distinguishing the agency for the execution of works --

a All the works for the improvement of watersupply and the drainage of town and Minor Municipalities to be executed by the Bureau of Sanitary Engineering

b (i) All other improvement works estimated to cost more than Rs 1,000/- to be executed by the Local Public Works Department

(ii) All other improvements works estimated to cost Rs 1,000/- or less which may be executed by the Municipal Councils

2 In the case of works falling uncer Class b(ii) which may executed by local bodies the President of Municipal Council concerned will prepare a bill for drawing the amount of the grant furnishing the details noted below --

i Name of work
ii Estimated cost
iii Number and date of order and name of authority sanctioning the estimate
iv Number and date of G O or other authority sanctioning the grant
v Amount of grant sanctioned
vi Date of commencement of work

and get it countersigned by the Deputy Commissioner before presenting it at the Treasury for payment The countersigning officer has to see that the required details are furnished in full before he countersigns the bill and no bill should be countersigned unless an estimate for the work has been sanctioned and the work is taken up for execution An exception may, however, be made in the case of works for which grants are sanctioned by Government on or after 1st May in a year, in consequence of which there may not be sufficient time to commence the work before drawing the grant Such cases will necessarily be very few and when the rule is relaxed by the Deputy Commissioner, and the President is authorised to draw the grant before commencement of work, the date of such commencement should be reported to audit office as soon as the work is started When the exception is permitted it should be clearly stated on the bill at the time of countersignature for the information of audit The President has to present the countersigned bill at the treasury for payment by transfer credit to Municipal Funds The grant thus drawn and credited to Municipal Funds, should be accounted for

should be accounted for separately in the Municipal Accounts under "F, Public Debt - 4 (a) Public Improvement Fund", the contribution by the Municipal Council being simultaneously credited to that head by debit to "(c) Grant for Public Improvement Funds "

3 With regard to works coming under classes (a) and (b)(1) which are to be executed by the Sanitary Bureau and Local P W, respectively, the President will prepare the bill as above and get it countersigned by the Deputy Commissioner As the works are taken up by the P W D only after the necessary funds are placed at their disposal in advance, the date of commencement need not be noted in the bill The countersigned bill and a crossed cheque in favour of the Treasury Officer for the contribution of the Municipal Council should both be presented at the Treasury for payment by transfer credit to "17(a) P W Deposits" in the treasury accounts In order to watch the progress of the contribution works entrusted to the P W D the above transactions should be incorporated in the Municipal Accounts by Credit to "F Public Debit" -4(a) Public Improvemen Fund" and debit to F Public Debt (3) Advances recoverable " On receipt of the monthly statement of outlay from the P W Department, the amount shown therein as spent during the month may be adjusted by debit to "Public Improvement Fund" and credit to "Advances"

4 The above procedure should be strictly followed in drawing the amounts allotted by Government The treasury officers should honour only the bills countersigned by the Deputy Commissioner and return those that are not so countersigned The amounts of the grants should be paid only by transfer credit to Municipal Funds in the case of works referred to in para (2) and to P W Deposits inrespect of those referred to in para (3)

5 The statements of Public Improvement Fund showing progressive outlay which are required to be sent by the Municipalities as per clause (f) of rule 278(b) of Municipal Accounts Manual may be regularly despatched by the Local Bodies to the Assistant Comptrollers of the concerned Local Audit Circles in which the Local Bodies are situated for the purposes of check with the Municipal cash accounts

6 The procedure of debiting the Government share of the cost directly under "30 Grants for Public Improvements" in the Divisional Accounts will be discontinued in view of the revised procedure of creding the grant to "P W Deposits" The Executive Engineers and Sanitary Engineer will kindly see that no transactions are hereafter booked in the accounts of the Divisions under (2) Improvement of Water Supply and (3) Improvement of Towns and Minor Municipalities

7 Any difficulty that may be felt in following the instructions given above may be brought to the notice of this office for being remedied.
